Leaving a Legacy for the Children

Have you been called?

We are 7 months into our Kiwanis year and it's now time to be selecting our Leadership Team for next year. Why now? Because there needs to be a time of preparation and planning. Next year's leaders will be invited to attend an in-depth Club Leadership Education workshop where they will be given the tools and ideas to plan for a great year. After all, good leadership will make the club healthier and that will make Kiwanis stronger. As a result, children's lives will be changed in our community and around the world.

Our leadership team consists of a; Immediate Past President, President, President Elect, Vice President, Secretary, Treasurer, and 9 Directors. All of whom we elect every year. This board of directors handle the day-to-day operation of the club and in no way excludes any member from taking part in the decisions made. So, what about you? Are you called to join our team? Let any of the current officers know if you are interested, as our elections will be held on May 24th, at our regular meeting. Volunteer and help this club grow and be a vital part of making Kiwanis better and more effective in our community.

**Bozeman Key Club
Florida District's Club of
the Year!**

Thanks to the guidance of Advisor Cindy Wade and LT Governor, Paten Mayo, the Bozeman Key Club has excelled over this school year. At the recent District Convention, they were presented with over 30 awards for different areas of outstanding service.

We are proud of you!

A lot left to serve...

Pancake Days are over and we're talking about elections for next year, but there's still a lot of time left this year to serve. How about planning something new for the fall? Or joining our meals on wheels team? Our programs will bring us many more opportunities to help children in our community. Don't stop now!

How do we define Kiwanis?....."Kiwaniis is a global organization of volunteers dedicated to improving the world one child and one community at a time"

Focus on Membership

If you talk to membership Chairperson Stan, he'll tell you the most effective way to get new members is to personally ask someone to join. Just think if all of our 73 members asked someone to come to a meeting and only 1/2 of them joined, we would have over a 100 members by the end of the year!
 Make an effort to tell someone about Kiwanis this month. If you invite them, they will come.

Rumor:
 You don't need training to lead in Kiwanis, you just need a loud voice and commanding attitude.

Reality:
 We can all improve how we lead as we take on a leadership role. That's why Kiwanis has invested heavily in education and training. We encourage our leaders to take advantage of all that we have to offer.

Quote of the Month

“The mediocre teacher tells. The good teacher explains. The superior teacher demonstrates. The great teacher inspires.”
 — William Arthur Ward
