Leaving a Legacy for the Children

What if there was no Kiwanis?
This question was asked in our recent Leadership Training Classes and provoked many thoughts. So, what do you think? Would it matter? Our Club has been in existence since 1926. The average Kiwanis Club helps 106 kids a year, and if that holds true, we would have helped 10,282 children, and it would matter to them. We are not just about cooking Pancakes and having meetings, even though those things are the means by which we are able to serve the community. On a personal note, what about all the friends that you've made and business transactions that have transpired between the members? So yes, Kiwanis matters. But the saying is also true in "that you get out of something what you put into it". If all of this is true, we should be double the size in membership. The point is, take a hard look at what you get out of Kiwanis and what we do for the community, and tell someone. I can't imagine my life without Kiwanis, can you? It starts right here, with you. We need more Kiwanians like you, those who care, and those who are committed.

Welcome The new Key Club Lt Governor for our area, Lyndon Glover. Of course, he is from the Bozeman Club.

Let's **help** Lt Governor, Brian Hinton, with the **District Backpack Project** by contributing to help supply blankets for Foster Kids.

DCON
Our convention is the place where we come together to celebrate our successes and recharge our passion. Kiwanians from throughout the District, from Jacksonville to St. Croix and everywhere in between, log in countless volunteer hours doing worthy projects to improve communities and the lives of children worldwide. Our convention is our time to share all of those shining moments.
Come learn, laugh, fellowship, share some memories and make some new ones at the Omni Orlando Resort at ChampionsGate

How do we define Kiwanis?....."Kiwaniis is a global organization of volunteers dedicated to improving the world one child and one community at a time"

Focus on Membership

We've recruited 9 members so far this year but lost 6. Keep up the good work and ask someone to join today. One thing I've noticed is we don't have a specific plan. So, when you introduce Kiwanis, make it personal.

- Tell stories
- Connect on a personal level
- Show your passion
- Have fun!

Let them know why YOU Joined.

Rumor:

If members miss a couple of meetings, they are probably not strong members, and we should let them go.

Reality:

If members start to miss meetings-reach out. Something in their personal life may be preventing their attendance. One of our strengths is the relationships we form so ask if there's anything we can do to help.
