“SERVING THE CHILDREN OF THE WORLD”

ADDRESSING THE NEEDS OF CHILDREN AND PLANTING THE SEEDS
FOR A SECURE FUTURE.

Welcome to a new look of “The Pulse”, now a monthly newsletter from the Kiwanis Club of Panama City. It is designed to keep you in touch with the leadership, members, and guests by communicating the purpose and vision of the Club and the duties to which we have dedicated our services. Enjoy articles on various projects and if you would like to submit a Kiwanis related story, contact the editor. We hope to post each issue on our website and mail to those who cannot attend the meetings. Let me know what you think.....Keith Forehand,

Imagine the Possibilities.....by President Kay Cherry

What an exciting time to be in Kiwanis as leadership takes their positions with new ideas and a renewed commitment to service. My greatest desire is to see all of our Kiwanis family working together for a common purpose. That is why I am dedicated to the mission of providing a Club that enables caring individuals to combine their resources of time, talent, and finances to make a greater impact on the needs of children and families in Bay County. We can do

more by working together and Kiwanis is that thread that can bind us together in service. Imagine the possibilities when all of us have the same purpose! Will you help make that possibility a reality?

Our focus on service remains in two primary areas: 1) Fundraising to support various projects and 2) Hands on service. We have it within our power to truly make a difference, will you join us? Your contribution CAN change the life of a child.

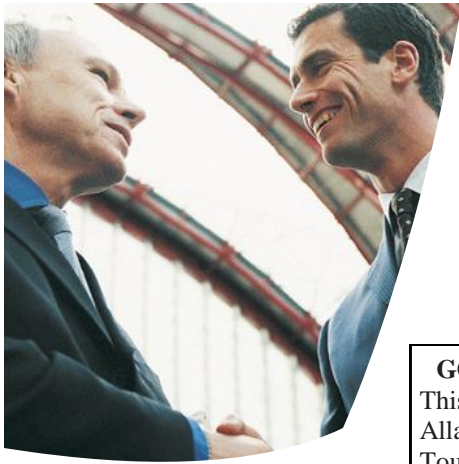

Defining Statement.....

“Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time”

PLANTING AND WATERING

Service Leadership Programs (SLP), Sponsored Youth, or whatever you call them are the bright young leaders of our future. Our purpose is to plant the seed, water, and reap the reward. By teaching leadership and community service at a young age, our world will be a better place in the future. See Kay Schneider on how you can get involved.

The Membership Experience

NETWORKING: Not a Dirty Word

Our primary purpose of being in Kiwanis is service, but networking can be a fringe benefit.

However, you have to attend to take advantage of the opportunity.

Invite a friend, colleague, or relative to our next meeting and let them enjoy the rewards.
