Bozeman sent eighteen students to the District Convention (see awards below). They are collecting blankets for operation Cozy Cops. Bozeman attended Super Bowl with the elementary school and helped with various activities including shooting white t-shirts with colored powder, which is a fundraiser. Bozeman participated in Mardi Gras Golf, Pancake Days, and had a blood drive as well. They are participating in Teacher Appreciation Day, Elementary Field Day, Northside Carnival, and color run.

The North Bay Haven Key Club is completing the last activity for this project-filled school year, which is the year-long on-campus Adopt a Lot program. In the Adopt a Lot program, clubs are assigned areas around campus to keep clean. They agree to send students out regularly to pick up trash in the assigned area.

Club members recently sold 55 tickets for the Kiwanis Club Pancake Days event to raise money for future club expenses.

They will elect officers for next year at the meeting on Tuesday, April 8th, and the final meeting of the school year will be a training opportunity for officers. Also present at that meeting will be the new sponsor, Kelli Lowe.

NEWS

Kiwanis Mardi Gras Golf

This year's Mardi Gras Golf was the biggest ever with 108 attendees at Pirate's Island Adventure Golf, Saturday, March 1st. Eric Krebs organizes it every year. There were lots of prizes given away.

NEWS

Jinks Builders is officially BACK!!! And we have hit the ground running. In just a few short weeks Jinks Builders has 20 members. Our young leaders stepped in to assist the Jinks PBIS team in throwing our Spring Dance. They also quickly organized a small fundraiser to align with the spring dance theme. The PBIS team did a Floral Spring theme so our Builders sold Lei Flower necklaces to raise funds for next year's projects. The school year may be coming to an end soon, but Jinks Builders are excited with the many opportunities they will have to serve.

NEWS

Many members of Merritt Brown Middle School attended D-Con. (See the awards page below) Merritt Brown continues their Books and Bears program and Skate Night. All clubs are welcome to skate night.

Todd Brister - Kiwanis Adv.

Walsingham is working on creating a turtle out of trash for Earth Day. They will be "planting" jellybeans with Pre-K and kindergarten that will turn into lollipops for Easter. Members have completed building their raised garden and are choosing eligible students for their Kindness Club. Students, who are caught being kind, will receive a gift card. Walsingham just completed their military child bulletin board. Members are also working on teacher appreciation gifts for every teacher at our school.

CHAUTAUGUA CHARTER

NEWS

On the morning of May 20th, nine students from Chautauqua Learn & Serve Charter School and school staff joined Kiwanian Dale Cronwell and City of Panama City staff members to perform a nest check on the city's purple martin colony at Bay Memorial Park (aka, the Garden Club). The students are all members of the Chautauqua Aktion Club. They learned about purple martins and enjoyed seeing baby martins in each of the 12 gourds that the birds are nesting in. They counted 42 baby birds and three eggs yet to hatch while the parent birds loitered above, many with bugs in their mouths ready to feed the babies as soon as the nest check was completed.
